

Announcement for scholarship, Hanyang University, Republic of Korea

CCOP introducing the scholarship program of Hanyang University for Master's and Ph.D. program called the 'Global Energy Technology Policy Professionals Program' starting in March 2, 2024.

The primary aim of the program is twofold: to educate international energy specialists from energy-related government agencies around the world and to build an international energy policy cooperation network linking industrial, academic and governmental sectors of different countries.

CCOP is recruiting scholarship applicants from our CCOP Member Countries as follows.

Qualifications

1. Applicants with foreign nationality whose parents both have foreign nationality
 - As of the application date, students and their parents should acquire foreign nationality
 - If the students and their parents have dual citizenship, they both should lose their Korean nationality before the application date
2. Academic background:
 - Candidates for the Master's Program are required to hold a Bachelor's degree.
 - Candidates for the Doctoral Program are required to hold both Bachelor's and Master's degree.

Scholarship

The successful applicants will be granted the following scholarship:

- Full tuition fee exemption (Master: up to 2 years / Ph.D.: up to 3 years)
- One-way airfare
- Stipend: 1,800,000 KRW monthly income (pre-tax 8.8% as of 2023)
- Foreigner insurance and visa processing fee
- Korean language and culture program

Online Application

- 1) Start from September 1 (10:00) ~ October 6 (17:00), 2023
- 2) Check online notice prior to application

Submit required documents (Sept. 01 to Oct 11, 2023)

- 1) Application Form and 2) Personal Statement and Study Plan
 - Submit two documents first for screening and interview via <https://oia.hanyang.ac.kr/>
 - It is strongly advised to prepare for other required official documents as it may take weeks for apostille or consular confirmed documents
 - **Please indicate that you are from CCOP Member Country in your personal statement**

Due date of the online application is October 6 (17:00), 2023. After your online application, please forward your CV and study plan to CCOP Technical Secretariat at ccopts@ccop.or.th.

We also highly recommend that you indicate in the application form or in the personal statement that you are from the CCOP Member Country and/or that you got this information from CCOP.

For information on applying for scholarship, please see attached Hanyang University, Global Energy Technology Policy, Professional Program, Department of Global Climate Environmental, for further details.
